After a while you learn
The subtle difference
Between holding a hand
And chaining a soul

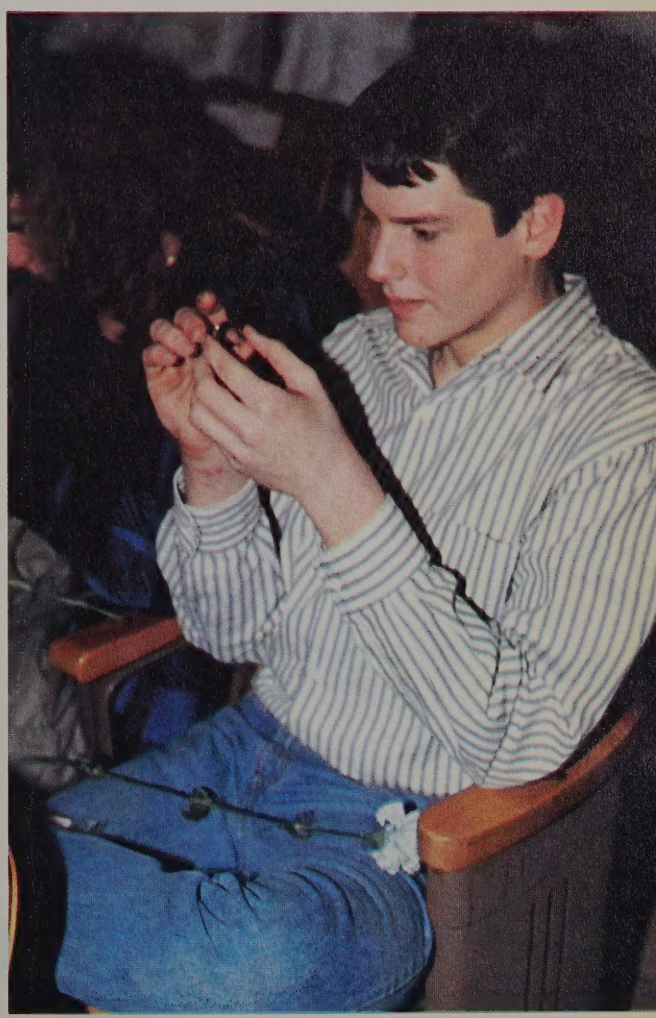

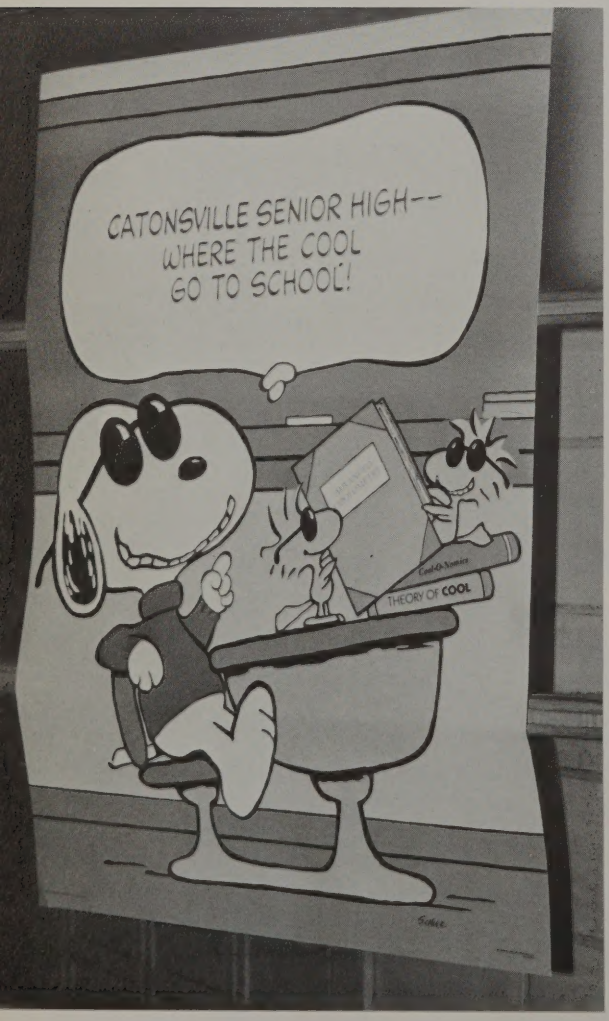

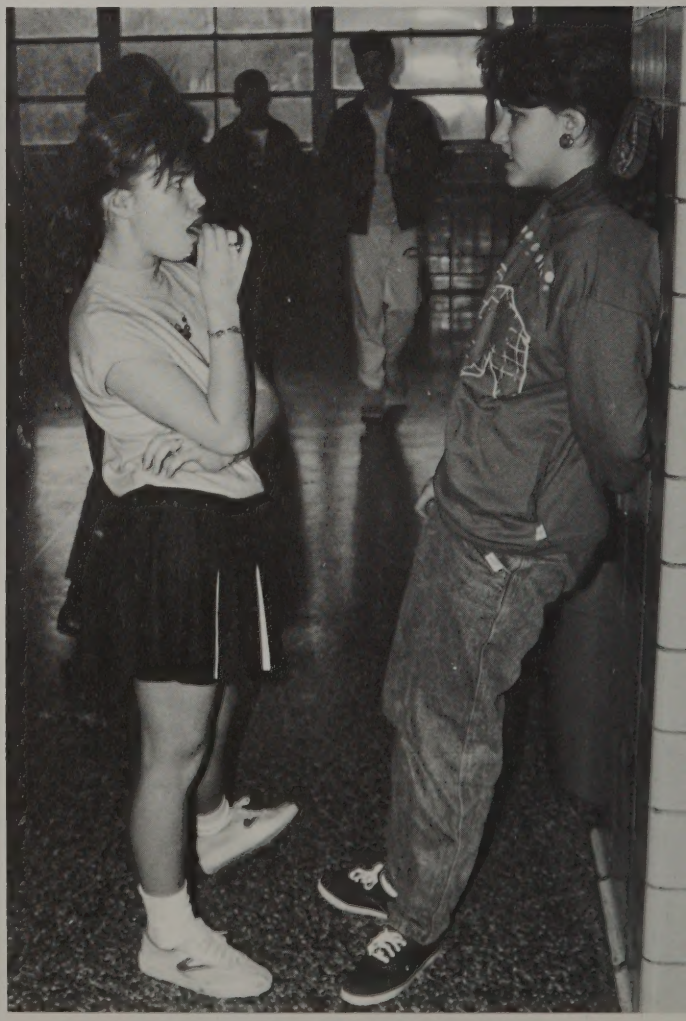

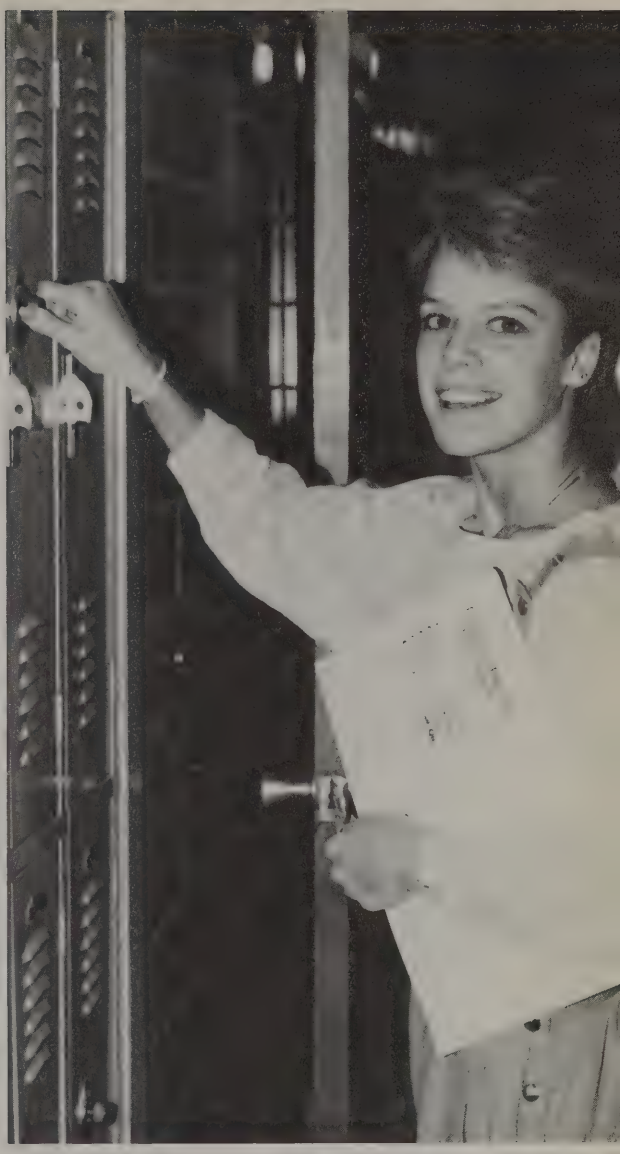

CATONSVILLE SENIOR HIGH--
WHERE THE COOL
GO TO SCHOOL!
THEORY OF COOL

And you learn that
Love doesn't mean leaning
And company doesn't
Mean security
And you begin to learn
That kisses aren't contracts
And presents
Aren't promises

And you begin to accept your defeats
With your head up and your eyes open
With the grace of an adult
Not the grief of a child

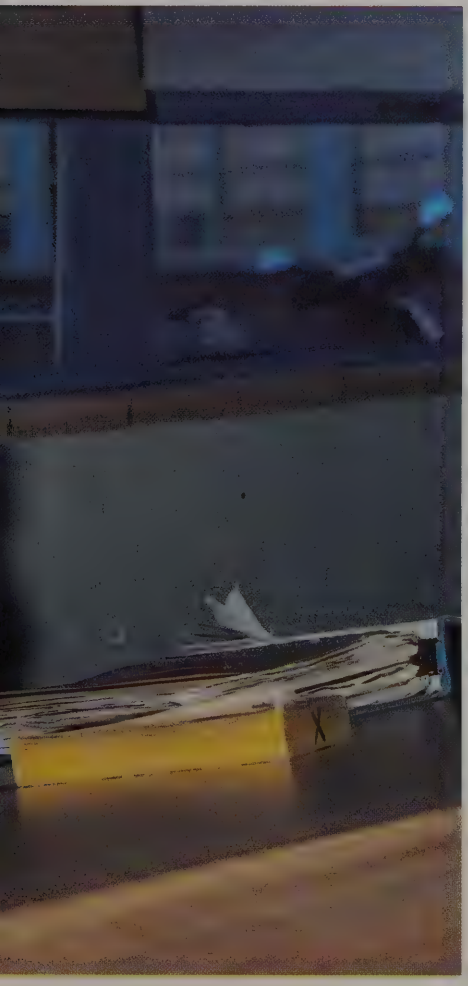

LOT for SALE
O'CONOR, PIPER & FLYNN
REALTORS
647-2222

COMETS

And you learn to build all your
roads
On today because tomorrow's
ground
Is too uncertain for plans, and
futures have
A way of falling down in
midflight

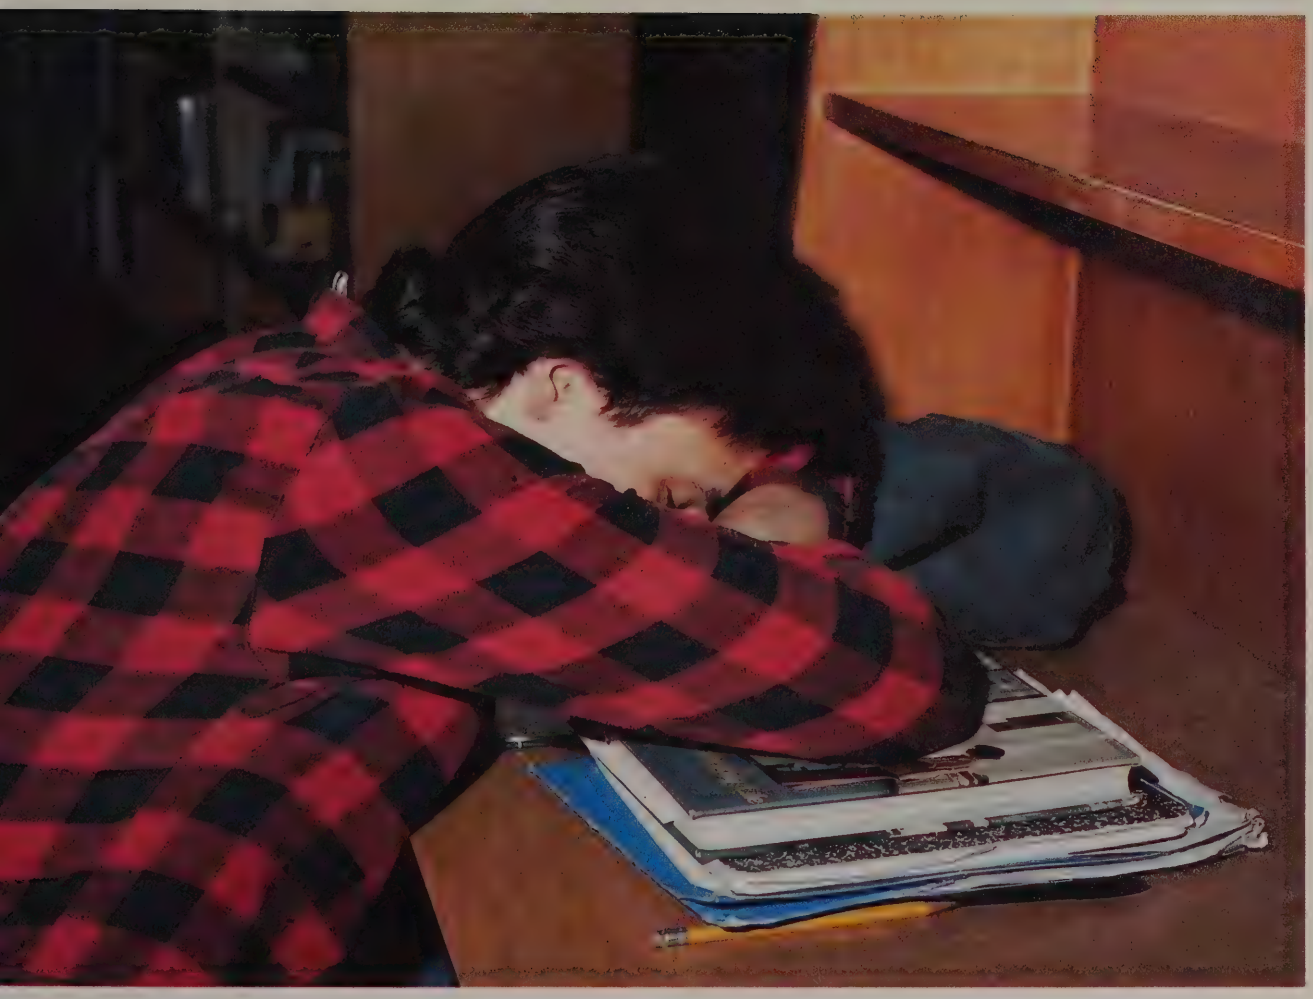

After a while you learn
That even sunshine
Burns if you get too much

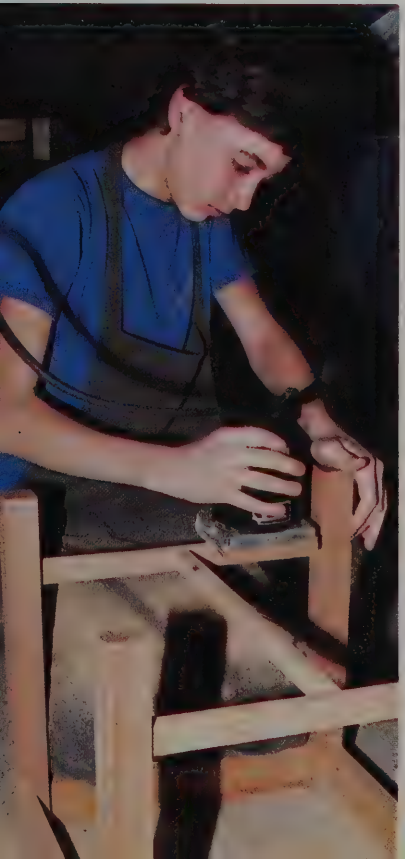

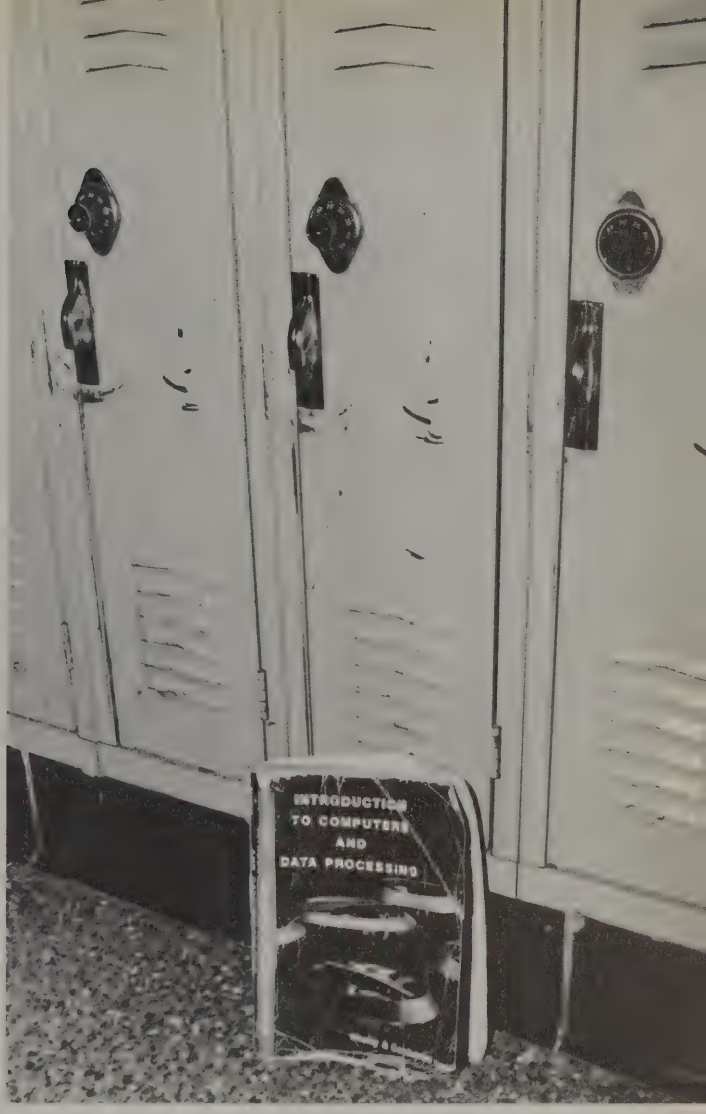

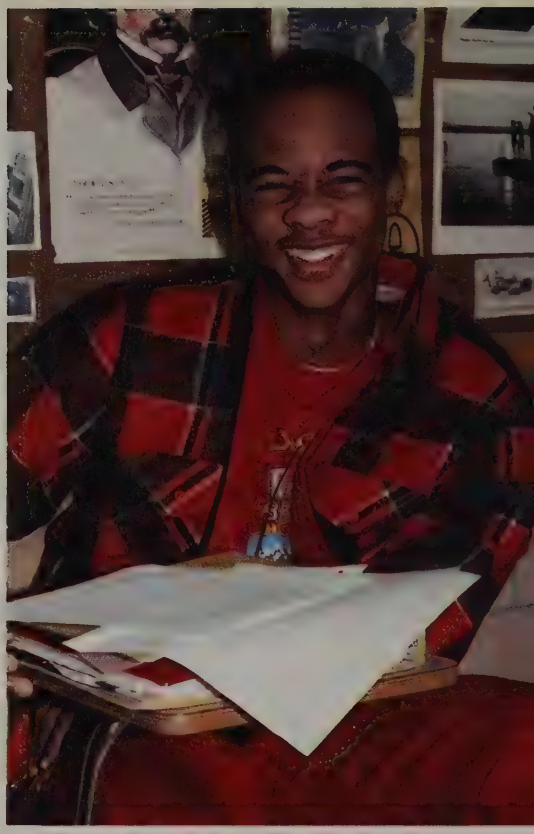

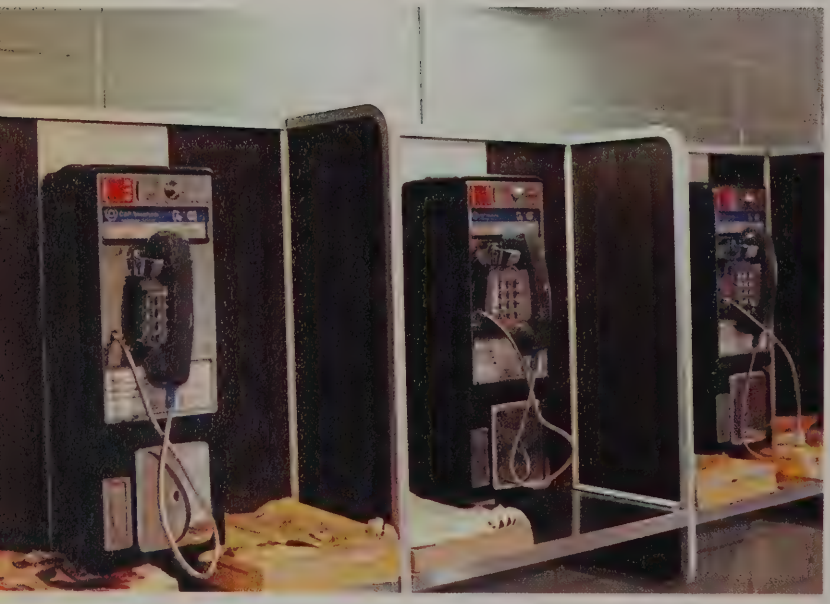

So plant your own garden
And decorate your own soul
Instead of waiting
For someone to bring you flowers

And you learn that you really can
endure
That you really are strong
And you really do have worth
And you learn and learn
With every goodbye you learn

The 86-87 CHS Administration had the privilege of working with a new vice principal, Mr. Bob Hilbert this year. However, this is not a new position to Mr. Hilbert. He has been an administrator for many years.

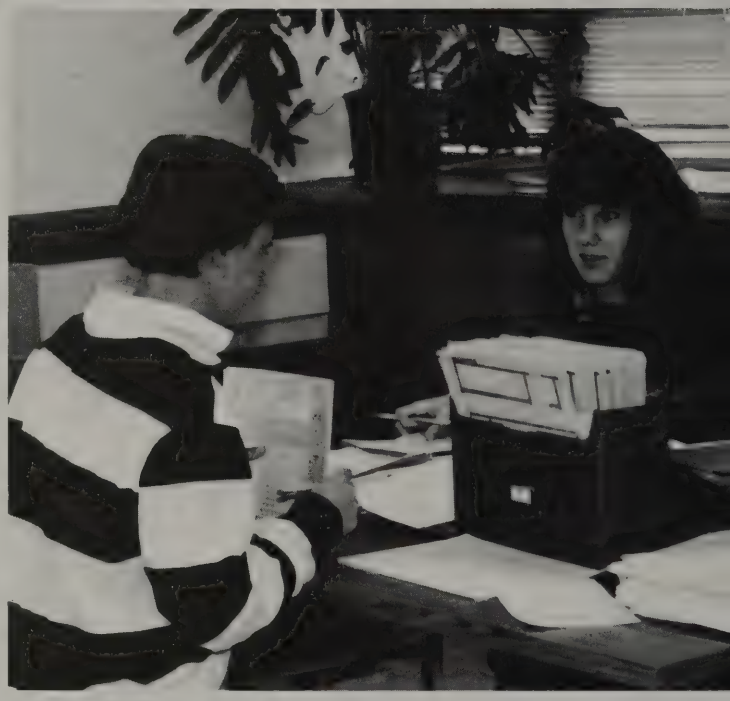

This year the CHS environment is being upgraded. The auditorium has been paneled and will receive a new lighting system from the county. Floors and ceilings have also been replaced. Thanks to the continuing efforts of the Administration, the school environment is changing for the better.

Administrative Secretary

With this year being the first year for the Art and Music graduation requirement, both departments had increased enrollment.

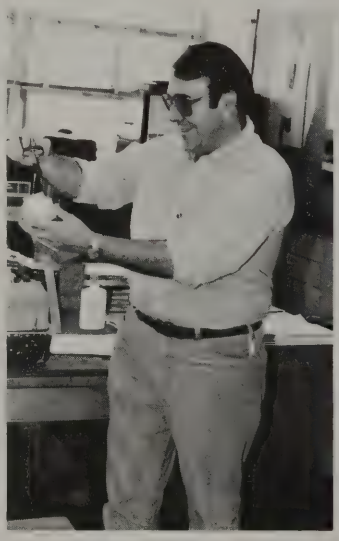

Diana Mand, chairman of the Art Department, entered talented students in different shows and displays around the community. These students have made a name for themselves as well as the department.

This year the music department, under the direction of Phil Taylor, participated in many activities. The most memorable was the music exchange with the Fox Lane High School. The music department formed a new organization, the Music Boosters, to help with such activities as the exchange trip.

Symphonic Band; Ninth Grade Band; Orchestra; Pep Band

The Business department had another good year with Doretha Dubose as its chairman. The department got two more microcomputers and hope to have a whole room of them by the beginning of the 1987 school year. Twenty new students joined the Future Business Leaders of America, a club of dedicated business students who want to further themselves in the business field. The club competes in the categories of shorthand, computers, and typing. They receive a monthly magazine about all of the outstanding Business Leaders of America.

The department is becoming more modern by doing away with their manual typewriters and going completely electronic.

Personal Use Typing

This year saw a continuation of the English Department's efforts to further students' language and interpretive skills. More students passed the State tests, and verbal scores on the SAT continued to rise steadily.

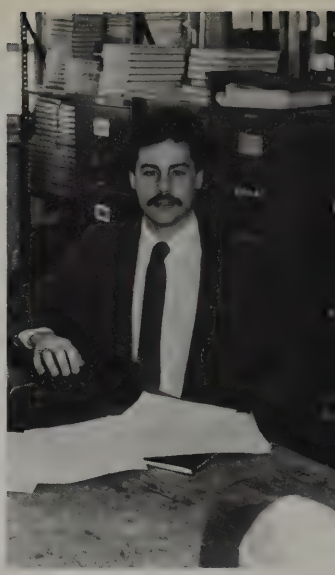

Joining the department were Carol Reed from Hagerstown, Chana Bass from Woodlawn, and David Rollison who replaced Mrs. Segala in December. Midway through the year, Mrs. Reeves accepted a position with the State Department of Education. Nancy Fisher then joined the staff to complete the year-long turnovers in the English department.

The Foreign Language Department maintained its strong interest in teaching various languages to students. The AFS, French, German, and Spanish clubs remained a focal point in the extra-curricular activities. The students also broadened their knowledge through field trips and the language lab.

The Guidance department helps students in the decision making process of career and college planning. Once again this year, the Guidance department hosted two mini SAT seminars and the College Fair which was held at Woodlawn. The department also had a financial aid work shop for the parents and college-bound students who seek assistance in paying for college expenses.

Besides the college planning, the counselors also coordinate schedule changes and listen to personal problems.

The Home Economics department offered a variety of courses to both male and female students. Once again the child development lab in Education for Responsible Parenthood provided opportunity for students to gain experience with young children.

The Industrial Arts department focused mainly on applied education where students took what they had learned and used it to make various projects. The quality of the Industrial Crafts was reflected in various contests held later in the year.

Nurse Chalcraft has been very busy this year. In addition to caring for ill students and teachers, she has conducted a variety of other projects. The "Operation Wellness Program" is one example. Through this, teachers were able to receive blood pressure tests, promoting health and helping those with high blood pressure. She was also coordinator of the Teachers' Blood Drive for the entire Southwest area. The drive was a huge success and provided the Red Cross with much needed blood.

The Library staff continued in their usual manner of excellence, helping students with multitudes of reports and projects. They recently obtained the software to a program which will help students in preparing for the SAT's. Futhermore, they are awaiting the arrival of a Direct line dial access modem for their computer. With this, students will be able to gain access to larger computer banks outside of the school.

This year's Math Department, under the direction of Dennis Quinby, provided a variety of courses suited to the interests of Catonsville students. Seven new Apple computers were purchased and combined with other available terminals to create a computer lab. In addition to programming classes, courses in Algebra, Geometry, Trigonometry, and Calculus were offered. Also, to encourage mathematical performance on tests, study and guidance sessions were held in preparation for the Maryland Functional Math Tests and for the College Board SAT's.

Under the direction of Ed Bury and Kathy Schuyler, the Physical Education department continued their tradition for excellence.

The department greatly benefited from the addition of Reggie Brooks to the staff. An addition to the curriculum was gymnastics, which hasn't been offered since 1980. The Leadership Training program expanded, especially in the men's department. With these new additions, the Physical Education department had a very successful year.

The Science department welcomed Mr. Pickett, from COP to replace Mr. Drahnak, who retired last year. In addition to their previous programs, the department placed even more stress on their reading program. Students were given extra vocabulary in the chapters they studied and were assigned projects for which library use was required. As a result, reading skills were enhanced, and a deeper understanding of the subject was achieved.

Extracurricular activities such as the Baltimore County Page Program and Mock Trial Competitions were supported by the Social Studies Department this year. These programs enhanced student interest in today's government and politics. The department also offered the traditional Social Studies courses which prepare students to be well-rounded American citizens.

The Special Education department offered many programs to help further the education of CHS students. The curriculum contained the same content studied in more advanced classes, but was modified to meet the needs of individual students. SAT Prep and the Reading Lab were two other courses where comprehension, verbal, and study skills were stressed throughout the year.

The Career Orientation Program was an alternative to a six hour school day where students managed school and a job. Underclassmen worked at actual job sites where they individually dealt with their employers on a first-hand basis. The Diversified Occupation Department continued to maintain the students' contact with their families and business employers within the community.

This page is dedicated to those who work "behind the scenes" at CHS. The kitchen staff provided us with nutritious lunches every day. Maintenance people kept the school together and the grounds well kept. The bus drivers drove us safely to and from school. Although we don't always give them credit, school could not be run without them. So we take this opportunity to say thanks for a job well done.

SPECIAL THANKS.... SPECIAL THANKS.... SPECIAL THANKS....

Western Vocational Technical High School was beneficial to students seeking another aspect of high school education. Students attended classes at Catonsville for half of a day and at Western for the other half in morning or afternoon sessions. At Western, students spent a period of time in classroom theory, then progressed to designated work areas for on-hands experience in a range of career-oriented courses.

Despite having the smallest graduating class in Catonsville's history, this year's senior class made their fundraiser the most profitable ever. They had $8000.00 to help finance the senior activities such as the senior slide show, senior/parent picnic, and most importantly, the prom, which was held at the Belvedere Hotel on May 29th. As a result of the fundraiser success, the prom tickets were the lowest price ever. In addition, the active class participation allowed almost 75 seniors to attend the prom for free. The class of 238 graduated at U.M.B.C. on June 5th.

Officers: B. Dingle (sec.), N. Green (V. Pres.), M. Hourihan (Pres.), L. Holland (Treas.)

(11) Lacrosse; stgmgr (9) *Twelfth Night, Sound Of Music*; SGA; Catonian; Varsity Club (10, 11, 12); Swimming, Roy Rogers FF, special talks, secrets w/Laura/Columbia and movies w/Murph and LH; cider runs; LH — You're the best friend I could hope for! Loyola parties, spending time w/Frank; I only love one man! AH, YAH! MH, AS, LG, KH, PL, BS, ME, LC, KG, JM and everyone I forgot — Thanks for everything! Mom and Dad — I LOVE YOU BOTH! Sean — I even love you! fun in OC, . . . College, Happiness!

GREGOR ALLAN DELISLE
Windock Dehobart; I am following the threads of the forest. What the meaning of the story is was lost in layers of sparkling circles drifting at the center of the sun. I am taking a part in the shuffle of a falling card. The elves sing dirges of the mountains and the dwarves fear the trees. I am moving in the model of a star. The darkness of a slant-scarred wind strokes a long division across the pitted skin of sculptured land. I am shining in the ring of a taut blade. There is sound in the spinning square that leads breath for a voice that foretells.

VANESSA HELENE DEMOS
Ness, Nessa, Nestle; TRUE CREW I LUV U! Fun Bunch lives! LO — I wish it was puppy luv too! Is this the smoking car! SPA TRIPS w/Missy! We aw-ight! Who's Betty? OWEEKO — We're gonna do it! RI here we come! TEARS Potato Chip — try to grow out of that ring! Luv U — Thanx for bein'a friend! Dad — You're the best! I luv U very much! Le'LE' — the Demos sisters — look out! LuvU! Nan — Thanx for brightening my days! . . . Happiness, J and W, Marriage? . . . NAH!

DIANA MARY LAZARIDES
To think of time — of all that retrospection, to think of to-day, and the ages continued henceforward. Have you guessed you yourself would not continue? Have you dreaded these earth-beetles? Have you fear'd the future would be nothing to you? Is today nothing? Is the beginningless past nothing? If the future is nothing they are just as surely nothing. — Whitman.

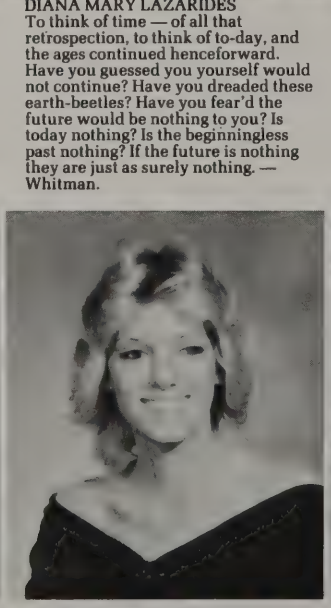

DORIS MARIE LEOPARD
Rowl, Feefee, Gorman. getting nice, go to OC, party at BOB's, Hawaiian, drinking Pauli-Girl, Gormans NewYears Party . . . Marry Gorman, secretarial school, making much cash. Thanks Mom and Grandma, I wuv you Gorman!!

And you learn that you really can endure, that you really are strong, and you really do have worth. And you learn and learn, with every goodbye you learn." Love and thanks to so many, esp. fairy godmothers.

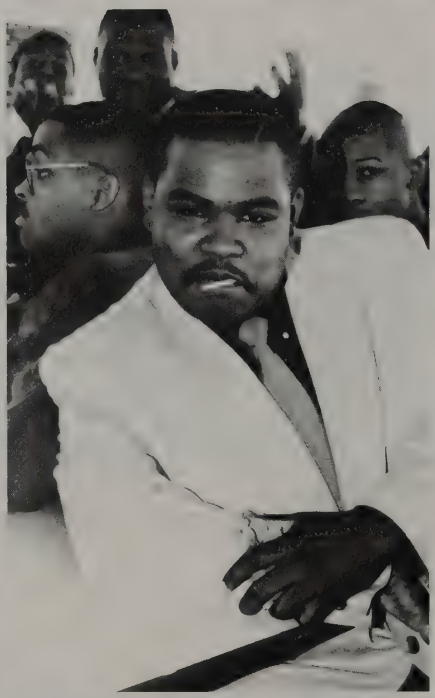

ROBERT ALAN ZEILMER

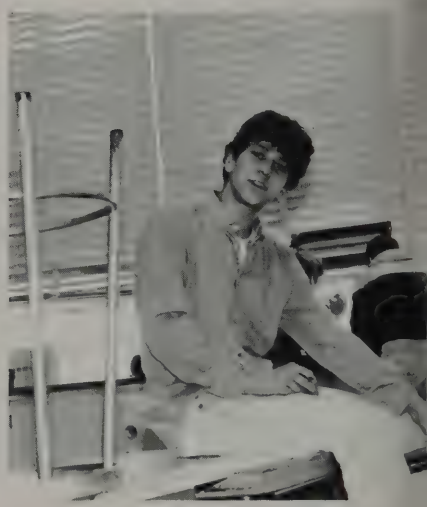

Memories

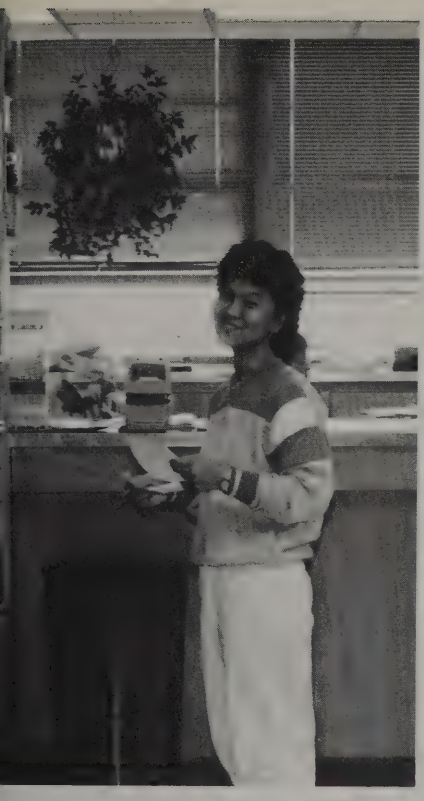

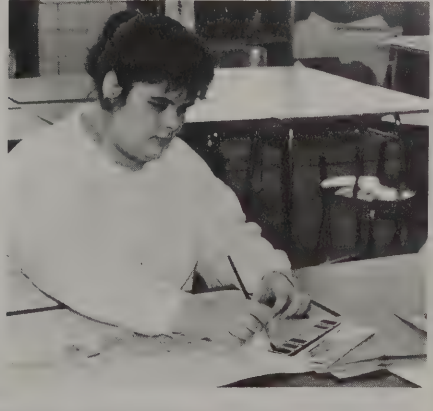

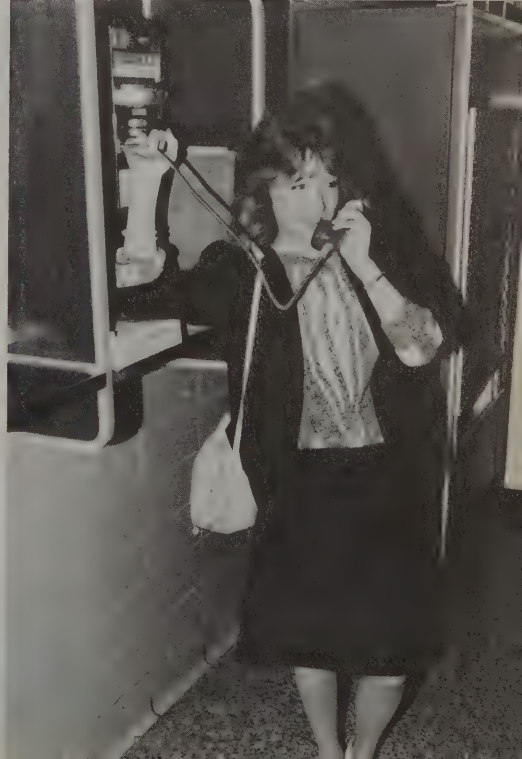

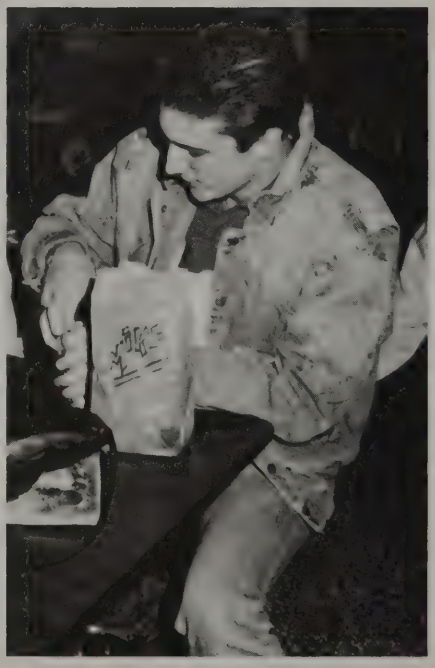

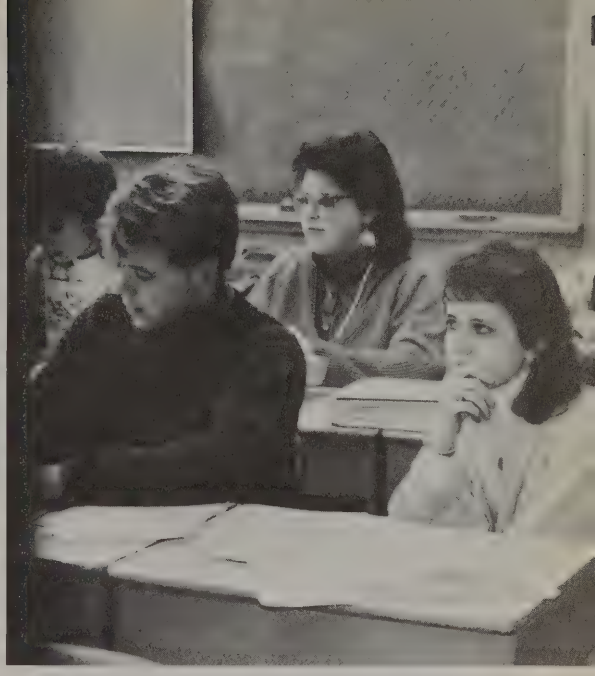

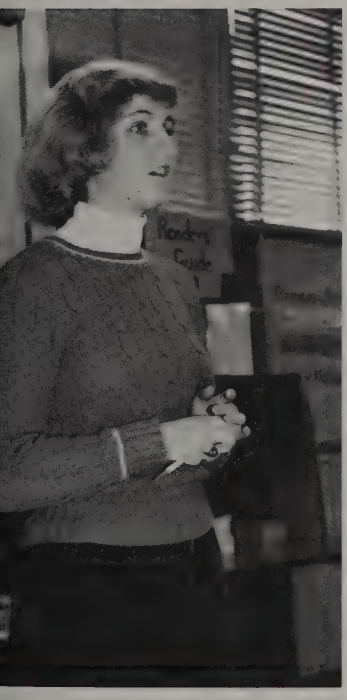

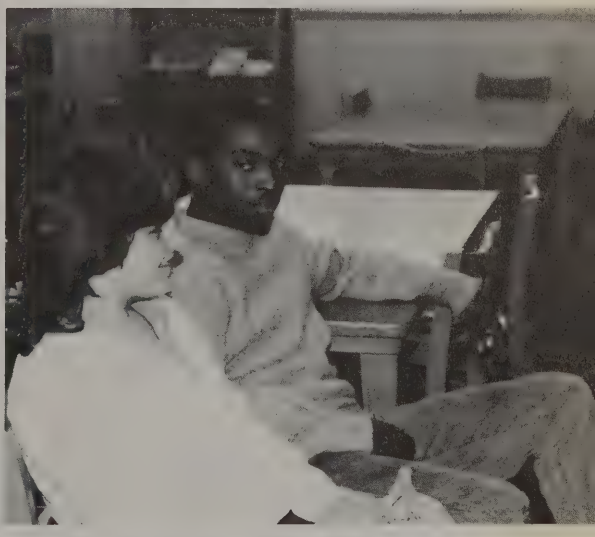

Senior Day

This year's senior day added a new twist. Parents were invited to head down to the lower field for the luncheon. Taneytown caterers provided the seniors with sandwiches, drinks, and chips while D. J. Delights played the tunes of the day.

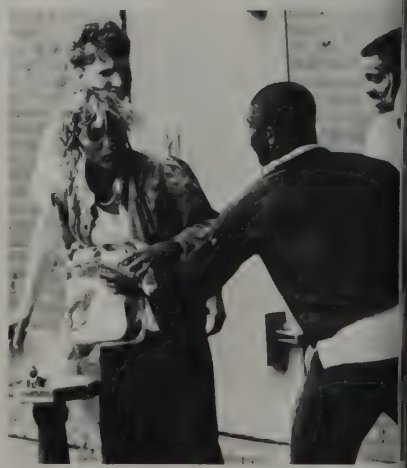

Senior Awards Assembly

At the end of May every year, the senior class holds an awards assembly to honor and recognize those of their class and a few underclassmen for their achievements throughout their high school experience. Scholarships, medals, plaques, and certificates were awarded to those talented and hardworking students on Thursday May 28, 1987.

Warren Dennis and Monique King — Bannecker School

Mark Chen — I.B.M. — Watson Scholarship

Ashley Sparks — DAR

Steve Murphy — U.S. Naval Academy

An Evening of Elegance

On May 29, the class of 1987 held its Senior Prom at the Belvedere Hotel. Two ballrooms were opened to the seniors to provide them with different atmospheres. While one room was the center of the band and food, the other was set aside for DJ dancing. At 11:30, both the DJ and the band *Horizons* played "Never Say Goodbye," the prom theme.

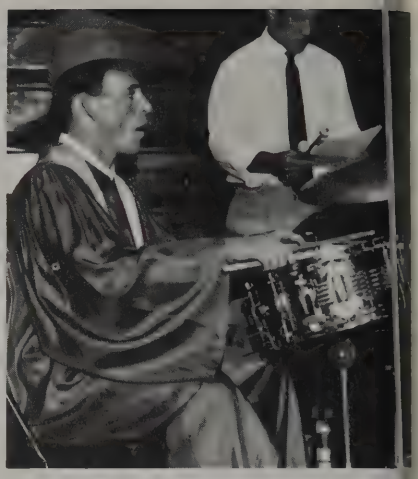

You'll Never Walk Alone

On Friday, June 5, the class of 1987 held its commencement exercise at the U.M.B.C. field house. Mr. Arnold, who graduated 20 years ago, spoke on growth and change, along with Mr. Mayer and Melissa Brewer. The ceremony varied in emotion, whether it was the happiness of graduating or the sadness of saying goodbye.

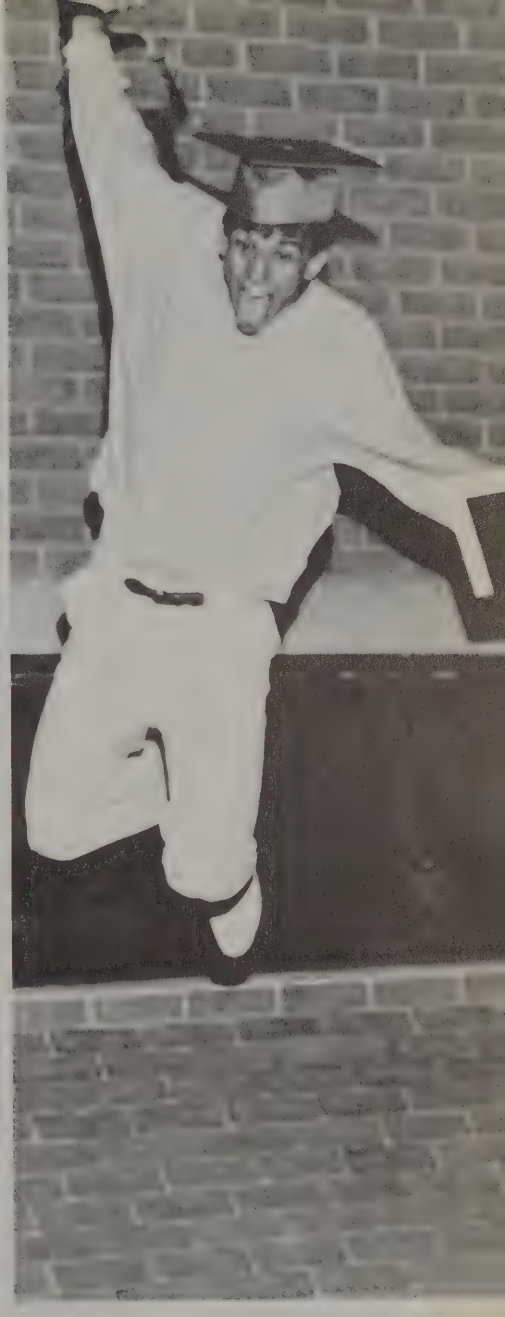

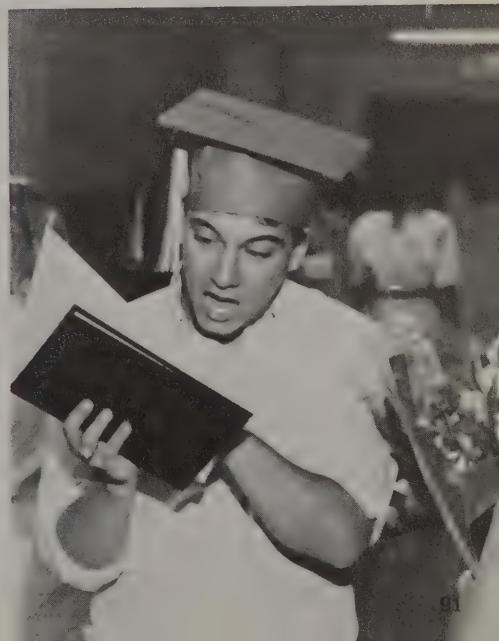

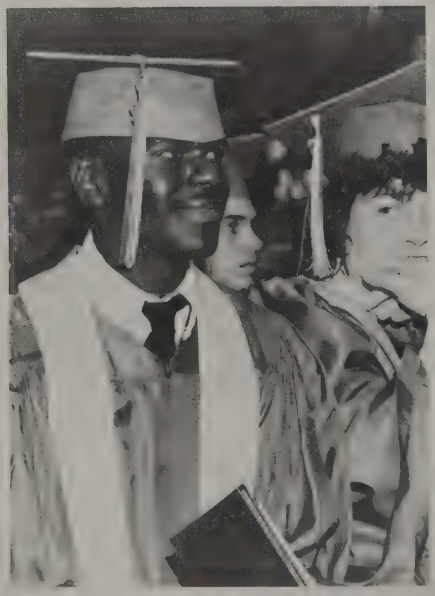

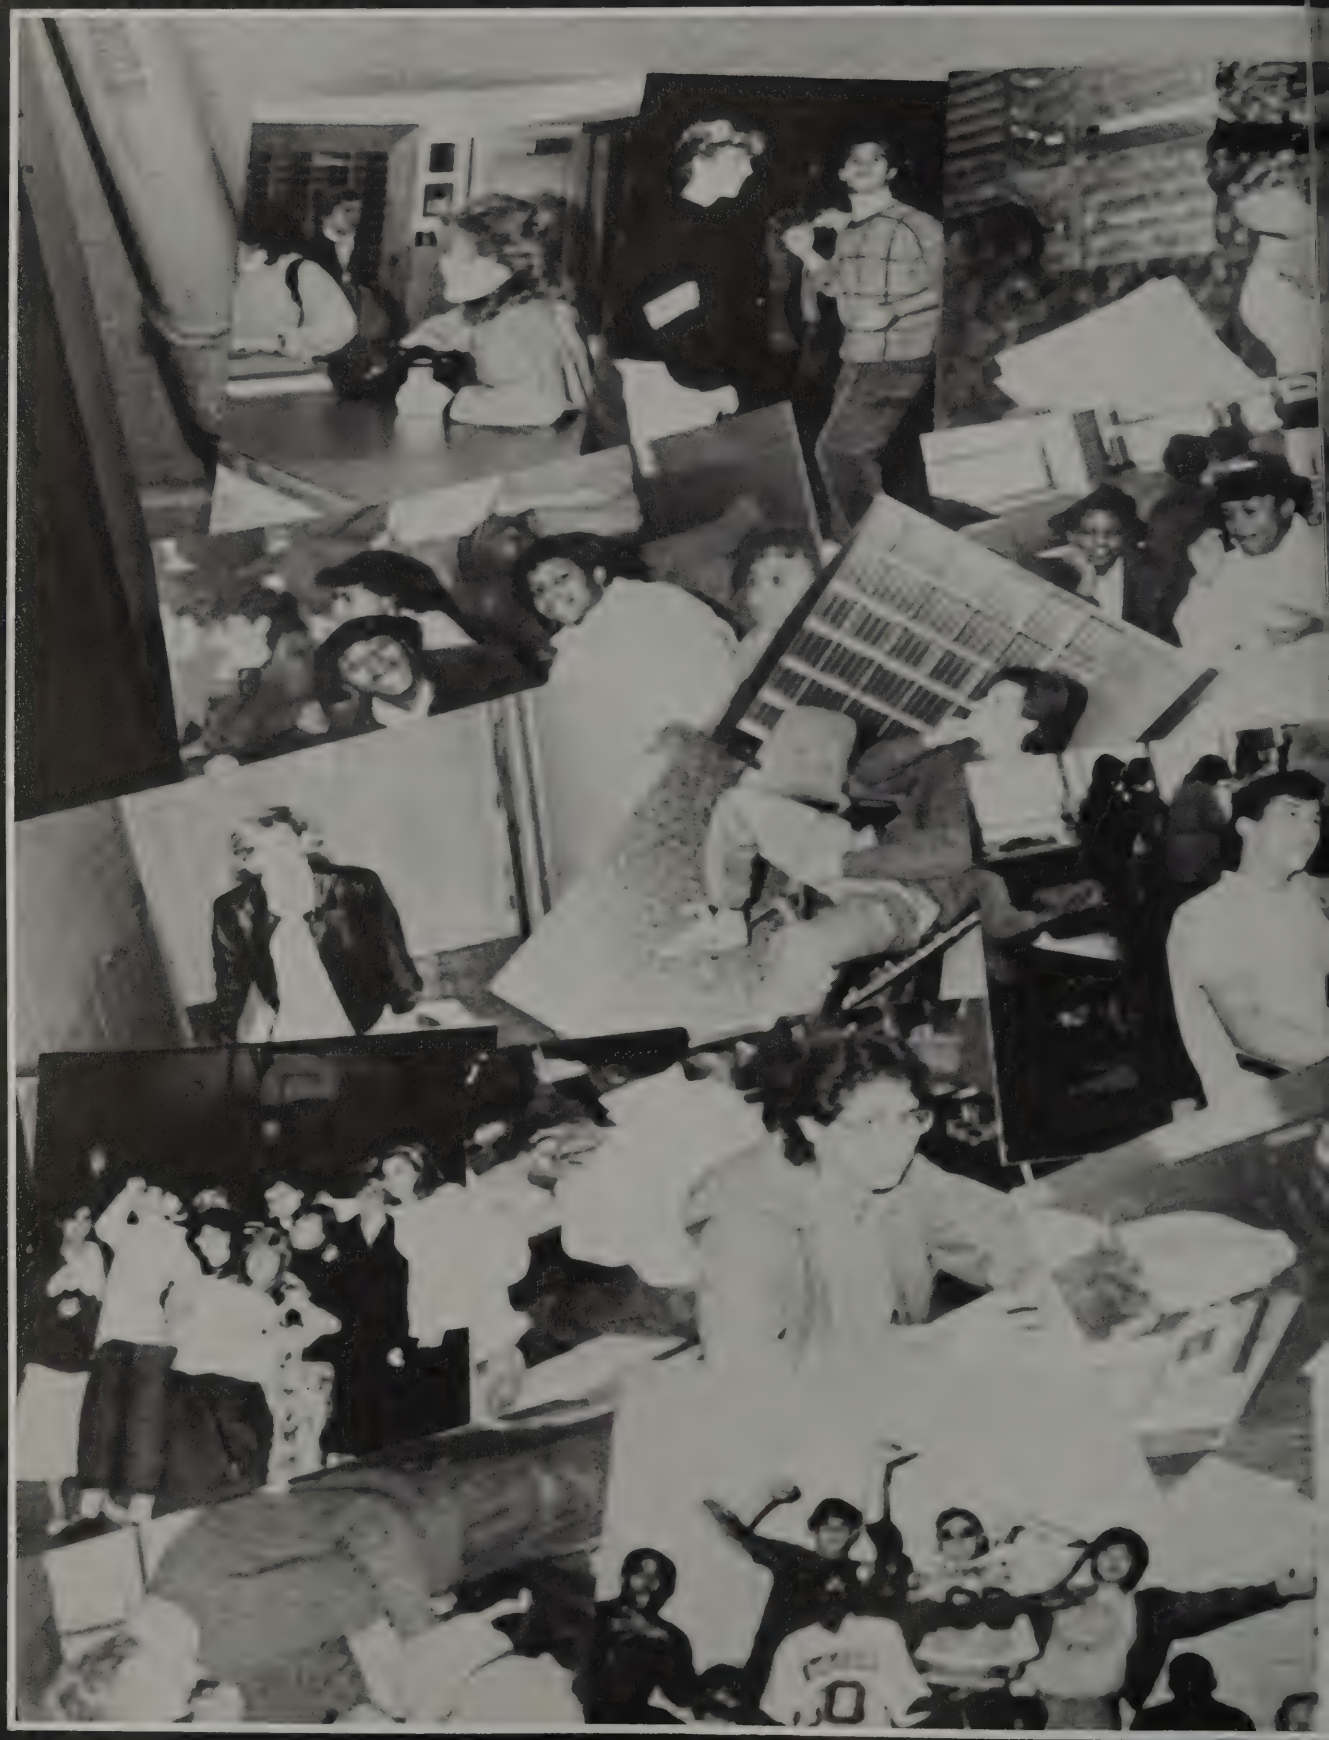

Underclass Underclass Underclass

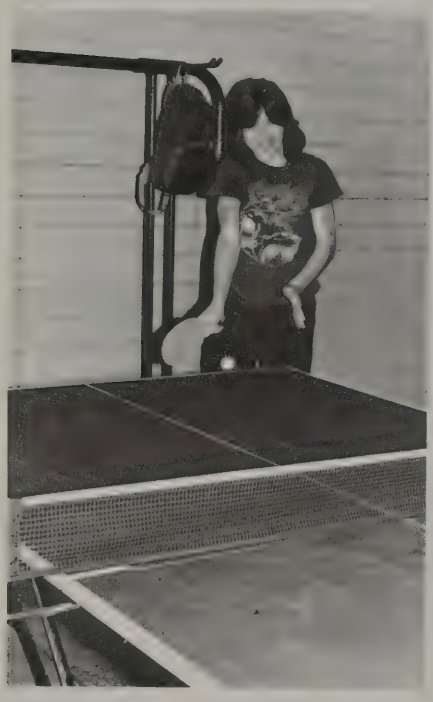

Juniors

Advisor: Selvin Rudd

Due in great part to the excellent advice and leadership of Mr. Rudd and Mrs. McCormick, the class of 1988 had another successful year. They raised much needed money with this year's Gummy Bear fundraiser and the annual Ring Dance. They hope to be working toward next year's Senior Prom tickets and raising money for class scholarships.

Turning Point

November 14th was full of twists and turns as the Juniors attended a ceremony to receive their school rings. Mr. Wood, the advisors, and the class officers shared in the excitement by doing the honors. Following the ceremony, everyone danced to the popular tunes played by Willie-B of B-104. The evening created a special memory for the class of 1988.

Magic is the Night

The Gents and the class of '88 celebrated their Junior Prom on April 25, 1987. *Magic is the Night* created a romantic mood as the class danced and swayed to favorite tunes. Also adding to the effect was the pink and white canopy, the threshold to the world of magic. Closing the evening with the theme song "We've Got Tonight" only made the guests more reluctant to leave such a memorable occasion.

Advisor: William Mouser

Sophomore

The Sophomore class started off another enthusiastic school year with a very successful lollipop sale, several car washes, and made history at CHS with the very first Lock-In. On April 10, 1987, they co-sponsored the "Enchantment Under the Sea" dance with the class of 1990.

Enchantment Under the Sea

On April 10, 1987, the freshman and sophomore classes sponsored the "Enchantment Under the Sea" dance. Decorations made by both classes along with the music provided by D. J. Delights created an enchanting atmosphere for all. The event was a splash!!

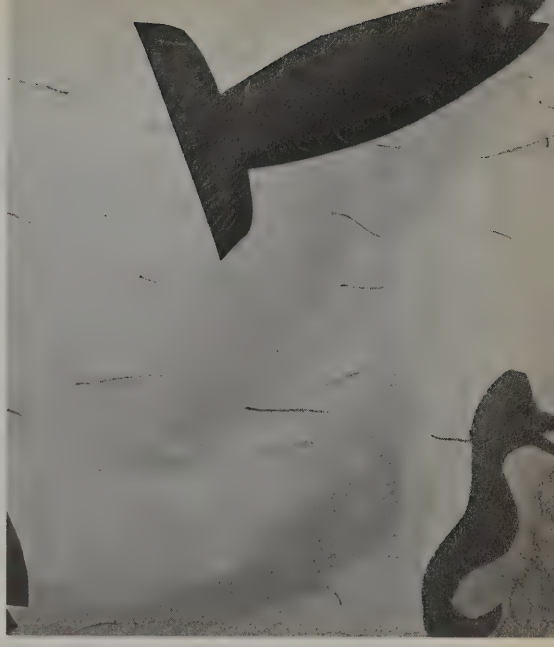

Advisor: Mary Grauel

Freshmen

The class of 1990 had a great start to their high school career with much effort to put an end to teenage drinking and driving. They also were the only class to decorate the school for Christmas holiday. This class looks very promising for the years to come.

A Salute to Victory

Friday night October 10th of 1986 was CHS' first dance of the year. This year's Victory Mixer was in celebration of the Fall sports season. Davis DJ's motivated the Comet fans for an exciting year. Students as well as team players tripped the light fantastic to the latest top 40 hits. It was an energized evening for all who attended.

The Twelve Days of Christmas

'Twas the twelve days before Christmas
When all through the gym
The sound of the band *Beginnings*
Could be heard from within
As the couples arrived
With good cheer in their eyes
The ladies wore dresses
And the men all wore ties
The dance floor was cluttered
As the couples were led
With visions of the evening
Dancing inside their heads
When all of a sudden
Out went the lights
MERRY CHRISTMAS to all
And to all a good night

Sweetheart Dance

Love was in the air as couples swayed to the romantic songs of D.J. Delights at the Sweetheart Dance on Friday, February 13, 1987. Three hundred eighty-four students attended the Senior class sponsored activity. A valentine time was had by all who lingered beneath the array of pink, white, and red colored hearts, streamers and helium balloons, an all time favorite. The king and queen of hearts, chosen at random, were the highlights of the evening. The Senior class hopes that everyone who attended will share sweet dreams and hold the special memories of the evening in their hearts for years to come.

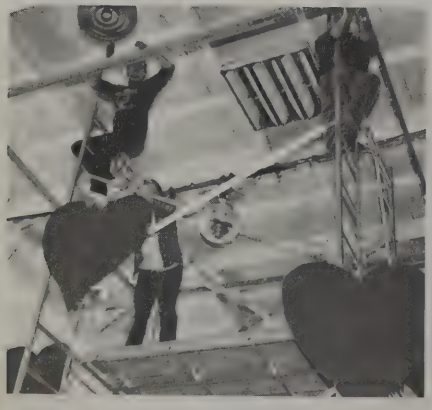

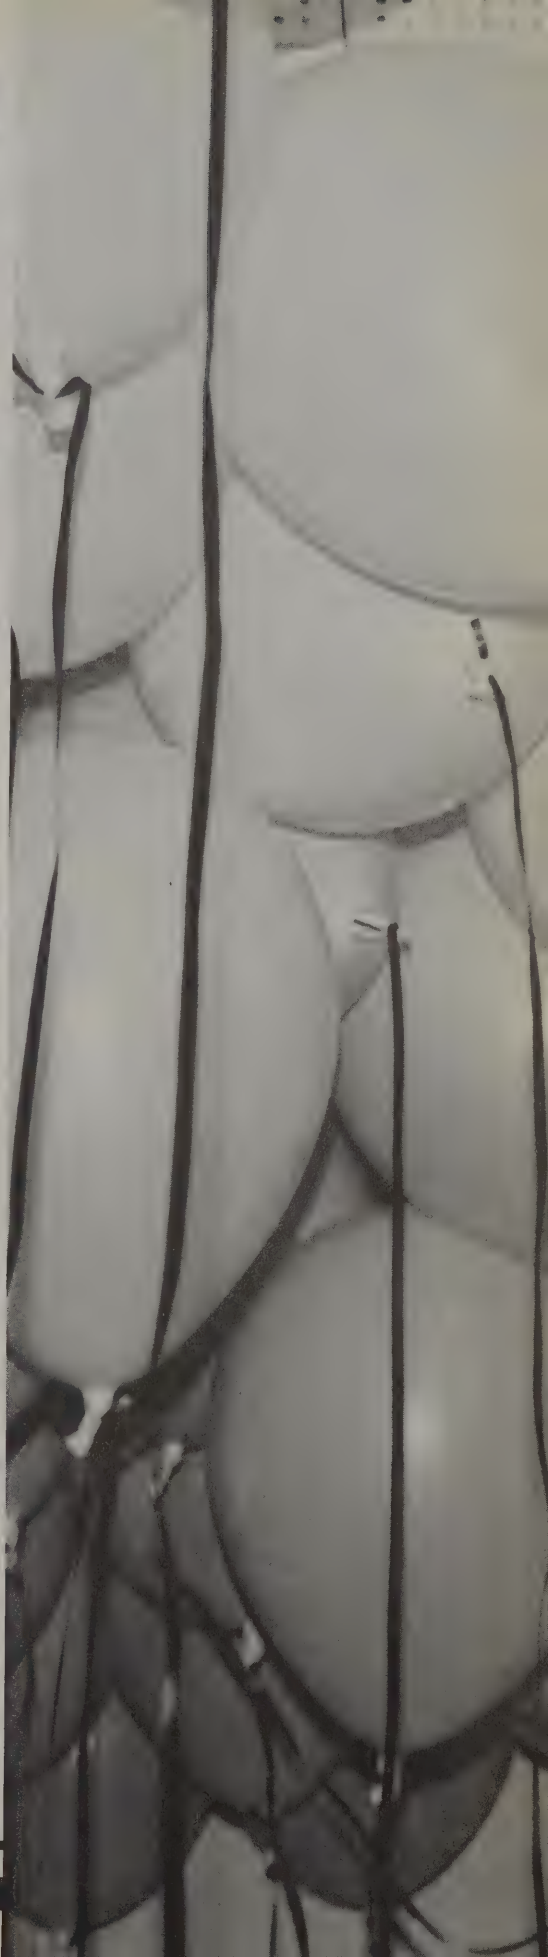

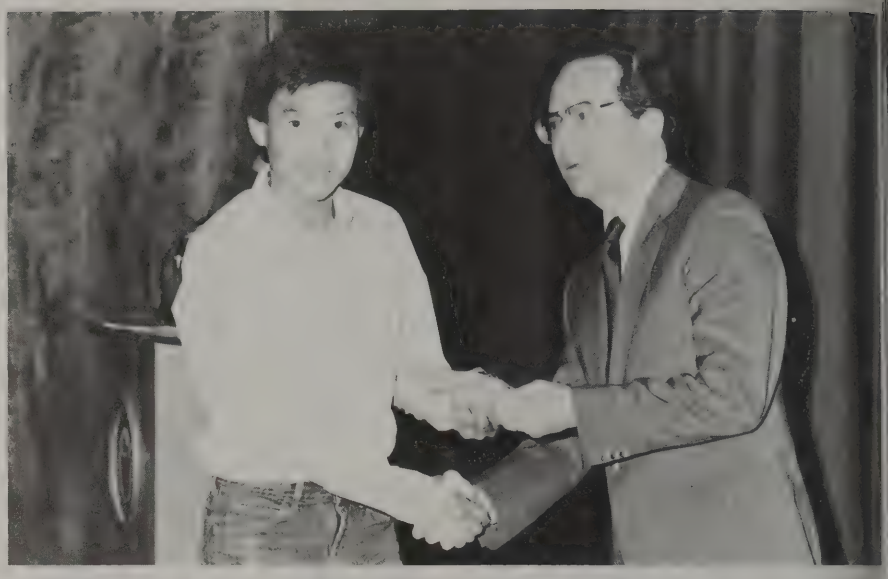

Academic Awards

For the first time, on April 9, 1987 Catonsville High recognized distinguished students with academic letters. Forty-two students consisting of seniors, junior, and sophomores were honored for making the Distinguished Honor Roll. Criteria for these awards was appearing on this Principal's List for four consecutive quarters, or for accumulating a total of eight throughout their high school career. This type of academic recognition should provide incentive as this tradition continues at Catonsville.

Classy Themes

The SGA surprised many students this year when they broke tradition and did not hold the annual St. Patrick's Day dance. Instead, the SGA decided to try something new; a class theme dance. Each class was to show its spirit by dressing in costume. The freshmen dressed from the 50's era; the sophomores dressed in all black; the juniors dressed as transvestites; and the seniors wore togas. A prize was then awarded to the freshmen for having the most participation.

63

Love's Labours Lost

Enthusiasm throbbed in the hearts of Catonsville's performers on May 8 and 9 as they entertained two large audiences who attended the Shakespearean play, *Love's Labours Lost*. The performance succeeded in portraying Shakespeare's critical view of society. Paul Dougherty, the producer/director, was very pleased with the performers who all worked very hard to master this difficult play. He felt that it was a tremendous learning experience and that it was more than putting on a show; it was putting on an art. He added that there was very good audience response on both nights of the performance. Mr. Dougherty also felt that performing this Shakespearean play allowed our drama department to explore new ideas. Finally, he stressed that it made a positive statement for our school.

AFS

This year Catonsville welcomed three foreign exchange students: Juan Carlos Guerrero from Columbia who stayed with the Duverlies, Sybille Hurst from Germany who stayed with the Coles, and Karen Vermeiren from Belgium who stayed with the Taylors. As fundraisers, the AFS held a sub sale, and a balloon ascension, both of which were successful in raising funds sufficient enough to sponsor an AFS weekend here in Catonsville. Foreign exchange students from all over Maryland gathered to share cultures and friendships.

The Comet

Sally Gracie, Advisor

With the best staff of editors ever assembled in the history of CHS, *The Comet* provided news and entertainment for the entire student body. Under the guidance of Editor-in-Chief, Brent Sharrer, Journalism students learned how to interview, report, and write various types of stories. Together with production editor, Peggy Hyland, and editorials editor, Beth Crouse, they produced one of the best high school papers in the area.

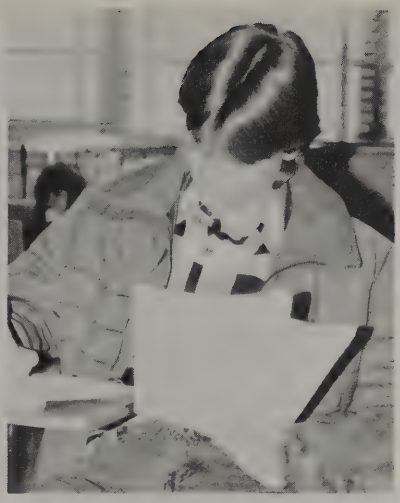

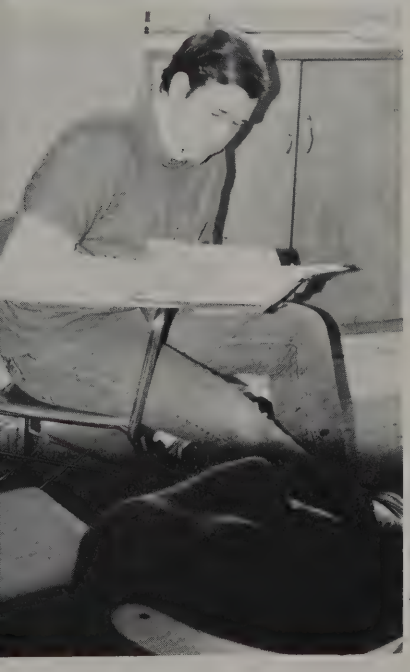

The Comet staff

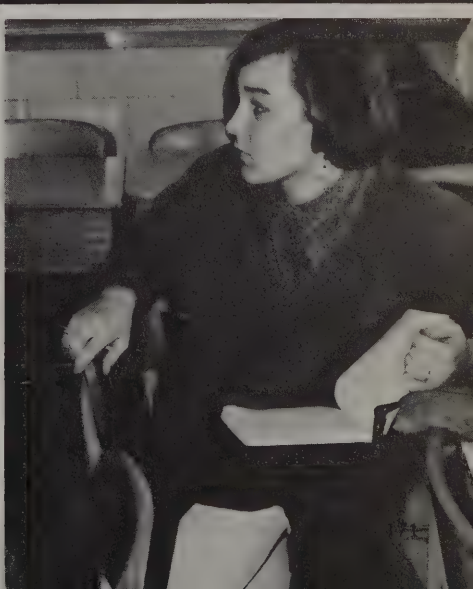

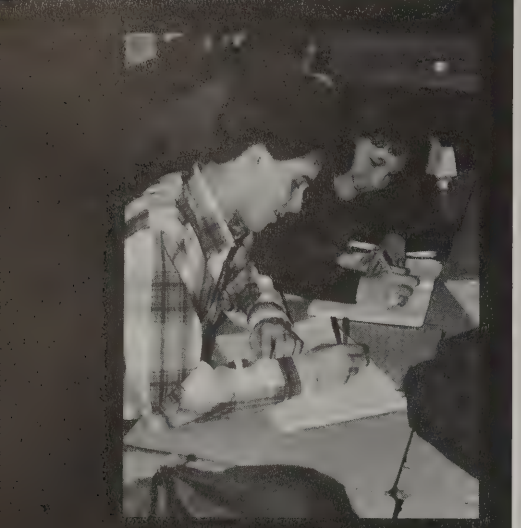

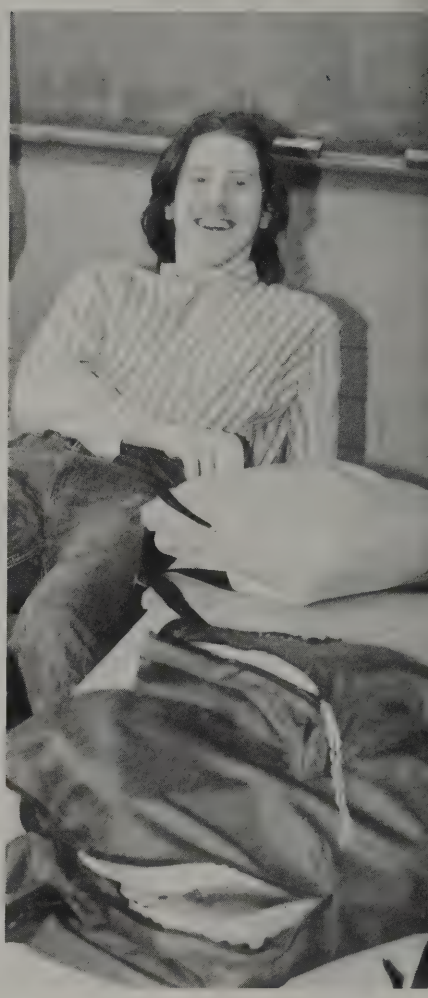

Ellipsis

The *Ellipsis* staff worked very hard and was extremely successful this year. Besides the literary publication *Ellipsis*, which included 48 pages, and was the largest ever to be published, the staff also published *Soundings*. Many of the staff members entered their writings into various contests. Dr. Blankenburg, the advisor, encouraged the students to express themselves with the creative discipline needed for continuing the fine tradition of our school's publication.

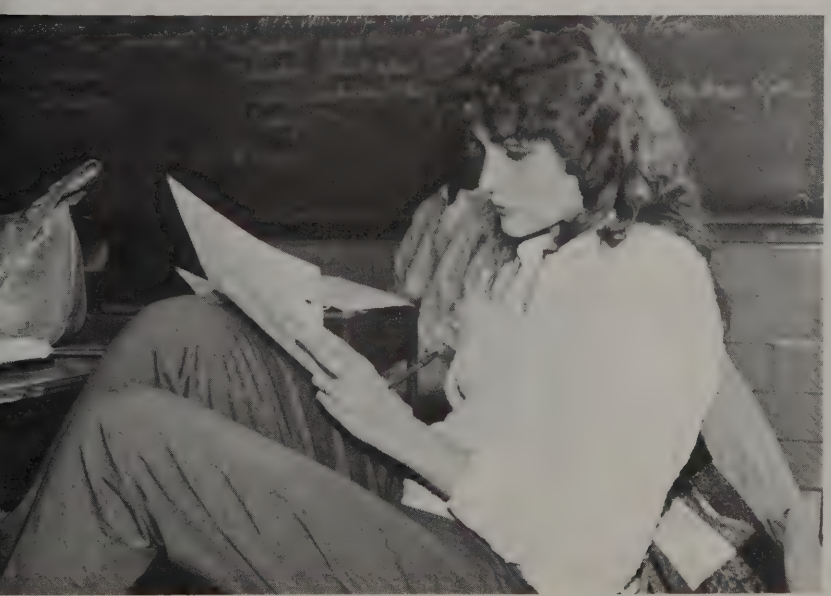

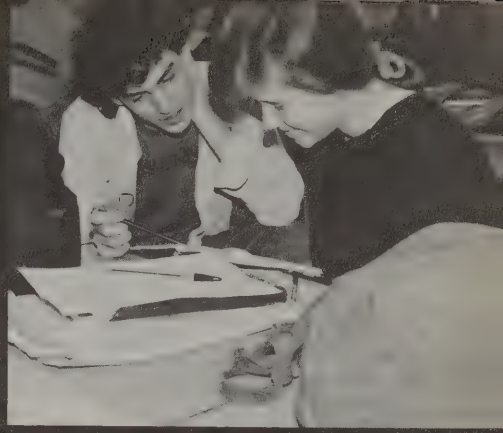

Dr. G. Blankenburg (advisor), C. Wagner, S. Marshall, G. Delisle, P. Woleslagle.

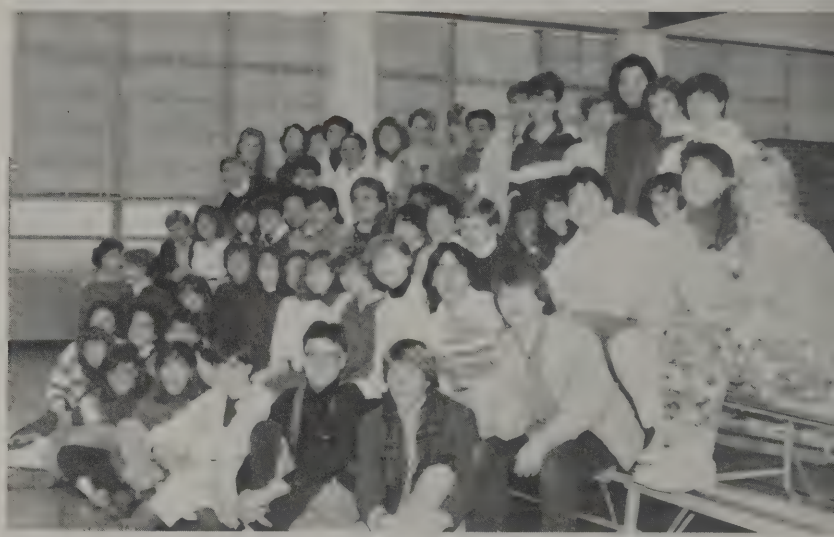

S.G.A.

This year the SGA, led by President Steven Canner and advisor Nick Grabner, introduced a new committee to the school. The Constitution Committee was set up to reconstruct the old Constitution for future use. The SGA also sponsored many popular events such as the Pep Rallies, night games at Lansdowne, the Christmas Dance, the blood drive, and the Friday morning doughnuts.

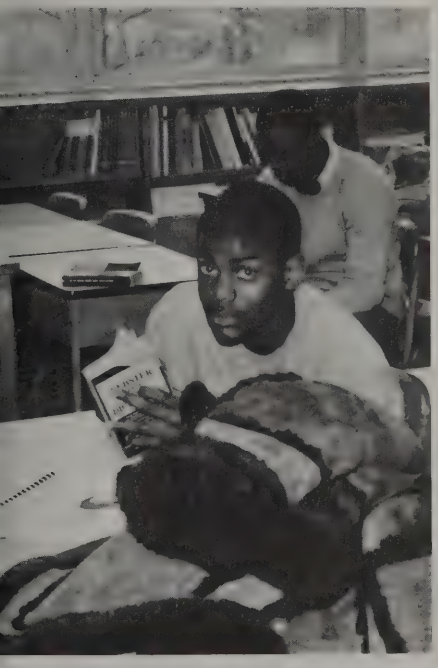

General Assembly

Spirit Committee

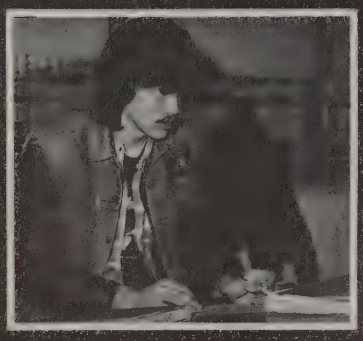

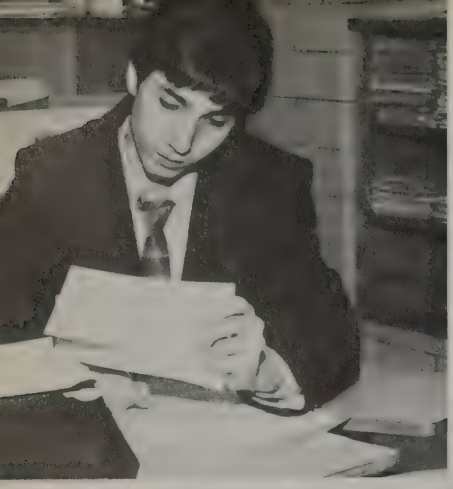

M. Chen (Treas.), M. Tacka (Vice.), S. Canner (Pres.), S. Hayes (Sec.), J. Miller (Sec.)

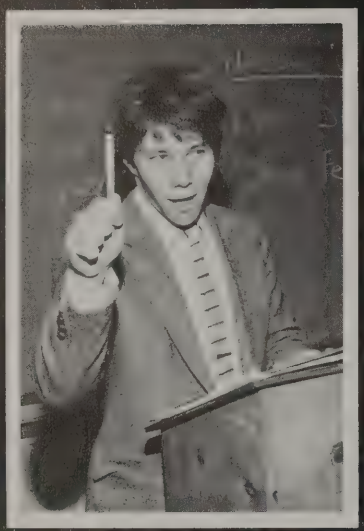

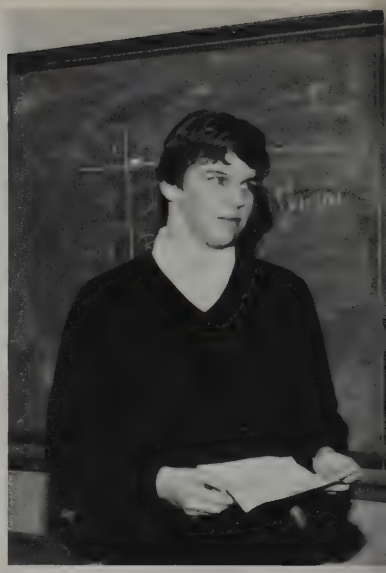

Debate

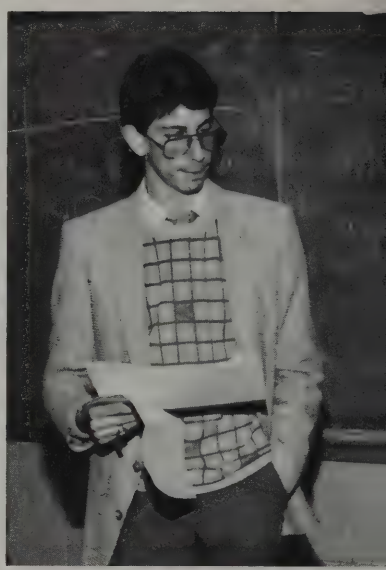

The Speech and Debate team had a strong year. Varsity debaters, Jean Martin and Evan Doverlie, placed 1st several times and won various awards. Novice debaters also had a very good year. Two debate teams made it to Nationals. With the addition of several new speech catagories, members fared well against the competition.

The 1986-87 school year brought forth the club for thinking people. Founding fathers, Jon Newbrough and Greg Faith, felt it was well accepted. Not only did they take on the unsolved questions of the universe, they managed to liven the announcements with their bizarre ads.

Mock Trial had a successful year. They won their way to the County Championships and placed 2nd. Members greatly appreciate all the help and guidance Mr. Johns has given them.

The History Club had many deep discussions. They examined various artifacts and probed for their meaning and how they affected society. No matter which culture they were studying, they widened their understanding of our own.

Philosophy, Mock Trial, and History Club

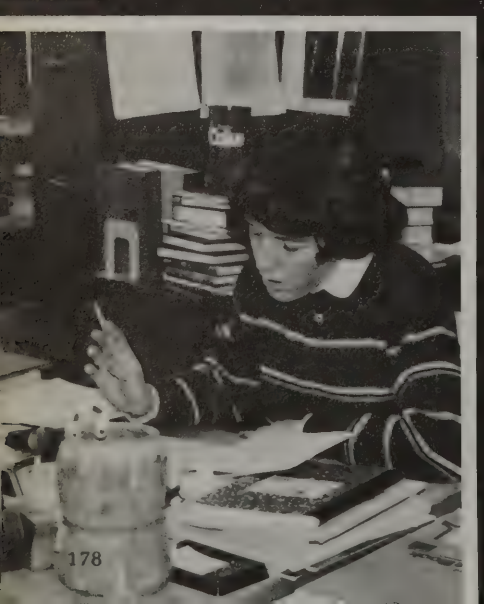

Catonian

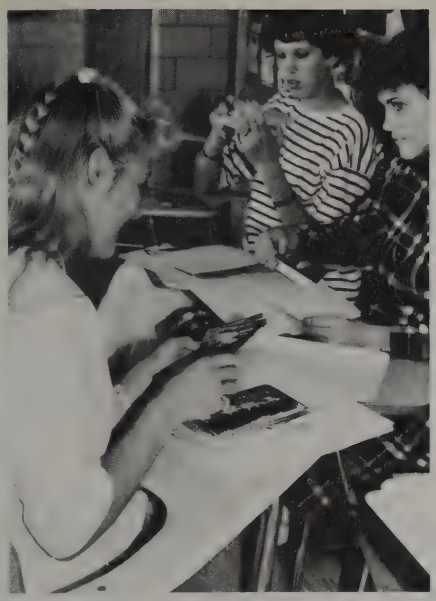

This year's Catonian staff was young and inexperienced but this innocence brought new ideas to help make this year's book unique. The yearbook staff met with competition this year since they wanted to improve upon last year's book. Thanks to Sue Tustin, the *Catonian* advisor, this goal was met.

Running Towards Titles

According to Coach Tom Crain, the boys' Cross Country team charged over the finish line in winning spirit consistently this season. They finished the season with an 11-1 record. After running away with the Southwest championship title, which included Lansdowne, Woodlawn, Milford Mill, and Randallstown, they went to States, where they had runners place 14th and 15th. Mr. Crain credits the top two achievers as Tim Broccato and Chris Sabino. He also paid tremendous credit and appreciation to Mr. Sabino, who volunteered his time and expertise to the Cross Country team.

The Girls' Cross Country team won the Southwest Area Championships due to the dedication of Kristin Clark, Kim Klee, and Christina Farley.

Football Tackles Tough Times

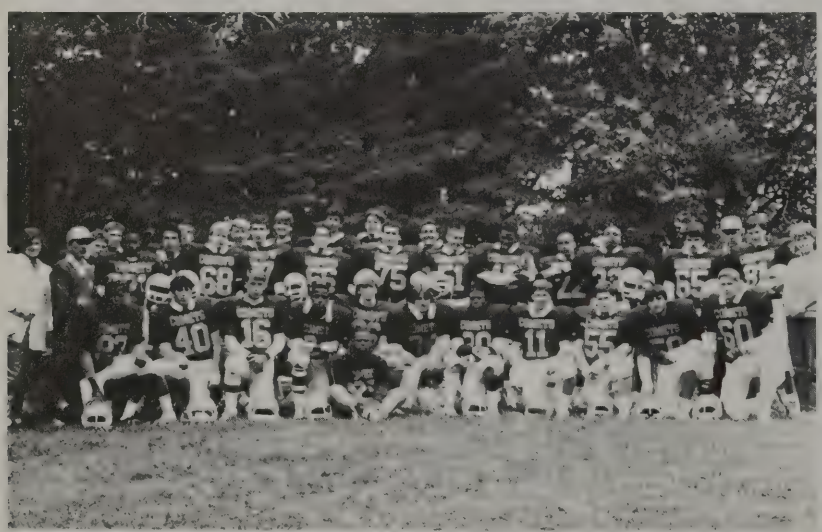

The Varsity Football team battled through a rough season. Plagued by injuries early in the year, the Comets were held to a record of three wins and seven losses. Despite the disappointing scores, the Comets had more potential than their record showed. Due to the strong defense, the Comets were always in the game, and earned the respect of the opposing teams.

The Junior Varsity team also had a tough season. Despite the 1-6 record,the team never quit, and gave 100% throughout the year. Although the Comets lacked game experience, they gained confidence by the end of the season, and showed great prospects for an excellent team in the near future.

Family

1986 was a molding season for the Varsity hockey team. The team pulled together as a "family" and improved as the season progressed. The highlight of the season was their 3-2 win over the previously undefeated Milford Mill. The season ended with an even five wins and five losses. Four players were elected to All-County teams, and Bridget Dingle and Ashley Sparks made the Senior All-Star team.

The JV field hockey team had a very successful season. Coach Diana Mand felt that their best game was their 2-1 win over Parkville. Ms. Mand said that there was a concerted effort by all the team members. The team worked well together and their playing was consistent. They ended the season with six wins and four losses.

A Shot at the Top

The Varsity Soccer team had a very successful season for the first year playing in Division I. With a record of 6-6-1, they qualified for Regionals for the first time in the history of Catonsville soccer. The team traveled a rough road to get to the regionals with two overtime wins and one loss. It was, "The best season we've had in fifteen years of soccer in the school," commented Coach Dave Lane.

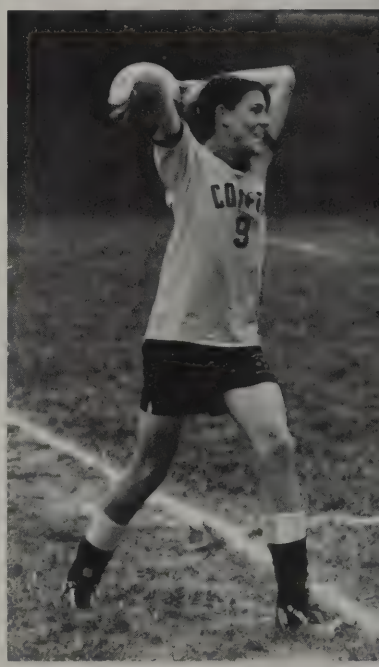

The players who qualified for All-County were Craig Berry first team, Marty Evans and Jeremy Stiffler, second team. Craig Berry also made The Maryland State All-Star team, the first player to do so in the history of Catonsville.

The J.V. team suffered through a 1-8-1 record because of their move to Division I. They had a "Very good defensive team. We just couldn't get the ball in the goal," pointed out Coach Dennis Quinby. Only once did they give up more than two goals in a game.

Kicking Off Another Season

The '86 girls soccer season "Was a step in the right direction," according to Coach Ed Bury. In only the second year of play, the team fought their way to a 4-3 overall record, sparked by the positive attitude and cooperation of the team. The highlight of the season was undoubtedly the night game played October 15 at Lansdowne. This marked the first girls' varsity soccer game ever played at night in Baltimore County's history.

The Junior varsity finished '86 with a 2-5-1 record. Despite the record, Coach Kathy Schuyler thought the girls played an excellent season. She felt they performed well through their tough schedule, and that the players moving up will provide a strong base on Varsity.

Recapturing Tradition

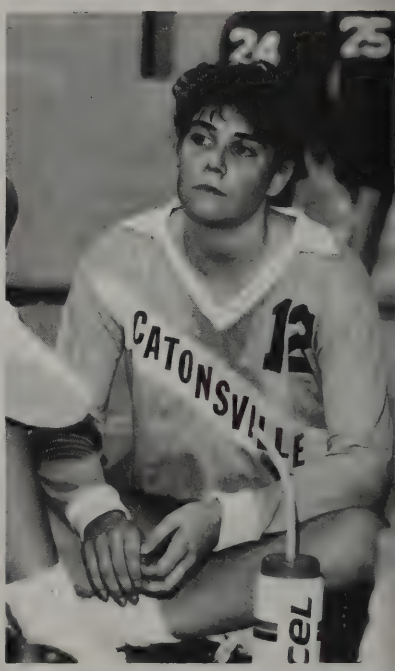

For the sixth time in the past eight years, the Comets captured the State Championship Title at C.C.C., under the coaching of Debbie Clem. The Comets also won the championships for their Division, County, and Region. Jennifer Hoffer represented Catonsville on the First Team All-Metro and was named Player of the Year, while Laura Chrencik was on the Second Team All-Metro. Coach Clem credits the team's unbeaten record and the successful season to the closeness of the team and the way they played together all season long.

The Junior Varsity Team, under the coaching of Alan Arnold, also ended their season on a successful record and making it to the finals in the County Championships. Coach Arnold feels that the team has gained a lot of experience and is very pleased with the outcome of the season.

Forever

All The Way!

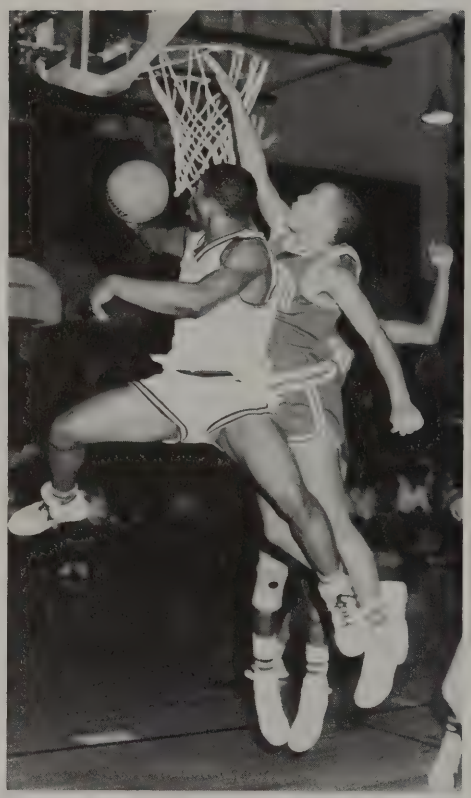

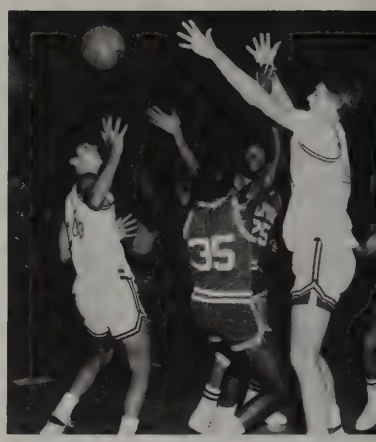

Basketball Bounces Back

The Comet Varsity Basketball team had a very good season, highlighted by the 1986 Woodlawn Christmas tournament victory over Milford Mill, With the excellent leadership of Captain Kerwin Thompson, the team was characterized by togetherness and good spirit. By pulling together as a team, the Comets obtained 3rd seed in the Regional playoffs. Kerwin Thompson will be remembered as being the 2nd all time leading scorer in Comet history. Captain Lydell Williams also lit the score boards, and led the team in blocked shots. "The student body can be proud of this year's team," — Coach Art Gamzon.

The Junior Varsity team ended a fairly good season with 12 wins and 8 losses. The Comets wish to recognize Chuck Evans for his excellent team effort and athletic ability in averaging 20.1 points a game. Being a small team of only 9 players, they pulled together to keep the excellent reputation that the Comet basketball teams have maintained over many victorious seasons.

A Shot at States

The girls' varsity basketball team had a very successful season this year, winning Regional Championships and going on to State Finals, losing to La Plata. The Comets ended the season, under the veteran coaching of Debbie Clem, with a 19-4 record. Coach Clem commented that going to the States was "icing on the cake." Being selected to the First team All-County and Third team All-Metro was Jill Evans, the Comets' leading scorer, Jenni McCuen, who led the team in rebounds and assists, was named to the Second team All-County, and Jennifer Hoffer was an All-County Honorable Mention selection.

The J.V. team, under first year coach Dennis Quinby, was handed their only losses this year by Woodlawn, and Towson, ending their season with a 17-2 record. Kim Hildebrandt and Jeanine Hunt were the captains for the Comets, and provided leadership both on and off the court.

Fleets of Feet

Although the indoor track team had only a few participants this season, it didn't slow down the team's stride to the finish line. Pole vaulter Brian Berry was a consistent strength to the Comet season. Many felt that team spirit and enthusiasm made up for the lack of runners. Overall, the team tried its best and most importantly, they enjoyed the season.

CATONSVILLE

Wrestle Mania

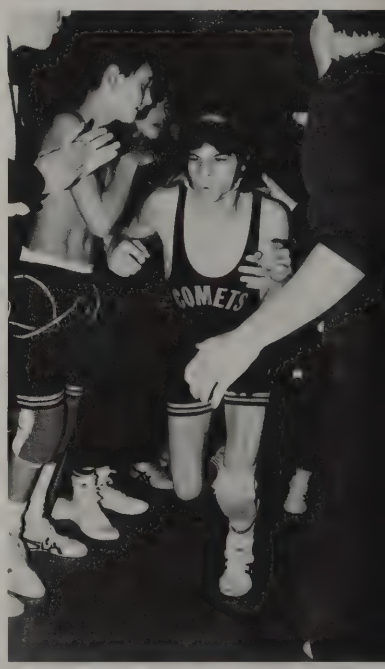

The Varsity Wrestling Team, under the new coach Reggie Brooks, suffered through another winless season. Once again the problem was the team's inability to fill all of the weight classes. On the brighter side, there were strong individual performances turned in by Andy Ryan, Jeff Kirby, and Mike Foster.

The J.V. team, led by Brian Mayhle and Kenny Mattson, was able to win one game and tie another. First year coach John Leslie was impressed by the team's determination and believes that a good turnout will give both teams a more successful season next year.

Close Calls

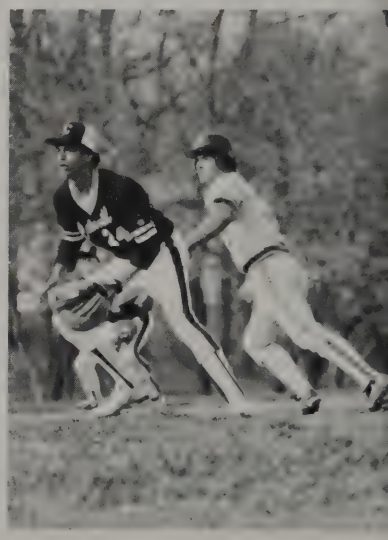

The 1987 Baseball season was a big improvement over last year. The Varsity team finished with an 8-9 record this year compared to the 4-14 record of last year. The team had seven very close games which they lost by only one run, but the Comets hung in throughout the season. Next year there will be six returning players and they look forward to an even better season.

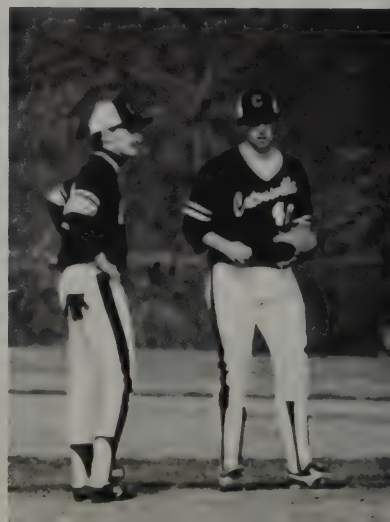

The JV Baseball team did better than Varsity again this year, ending their season with a 13-5 record. Overall, the team scored twice as many runs as they gave up. It was their feeling that they did not play a team that had better talent. The team missed the playoffs by only one game.

Swinging Through The Season

The Varsity Softball team of 1987 ended its season with a 5-7 record. Behind the strong, consistent pitching arm of junior Sharon Lupo and a balanced infield, the team pulled through many innings with clutch plays. Under second-year coach Sue Jameson, the team managed to merge together and chalk-up some marks in the "wins" column. The highlight of the season was defeating Franklin, 5-4, in the bottom of the seventh inning.

The Junior Varsity Softball season was outstanding. Also in her second year of coaching, Diana Mand took her Junior Varsity team to the top. With such attributes as excellent attitudes, strong hitting and fielding, quick thinking and polished moves, the team finished as Regional Champions with a final record of 7-1.

Squad Battles Back

The 1987 Boys' Varsity Lacrosse Season presented Catonsville with hopes for a bright future. Under new Coach Terry Lathroum, the squad battled to a respectable 4-7 record, an improvement upon last year's 1-9 record. Although the team was led by strong captains Kris Gucwa and Craig Berry, it was still put out of playoff contention on the last day of the regular season. Selected for the East West All-Star game were Kris Gucwa, Clarke Barringer, and Craig Berry. With only six seniors graduating and a drop into the weaker B conference next year the team can look forward to a very rewarding '88 season.

The JV squad struggled through a difficult 1-6 season. Like Varsity, they were under new leadership, but rookie Coach Earl Deickman tried to make the best of a small turnout. With the help of some returning players and a solid batch of freshmen, the JV team can also look to the future with confidence.

Varsity

Lacrosse

Sticking With It!

The varsity lacrosse team, under the coaching of Debbie Clem, ended the season with a 3-6 record. The team showed quality, dedication, and potential, although the win-loss record wasn't in the Comet's favor. Leading the team in scoring were Heather Wood and Melissa Hourihan. Aimee Phoebus and Melissa Hourihan were selected to the All-County First Team. Being selected to the All-County Second Team was Heather Wood, while Bridget Dingle and Sharon Hayes were Honorable Mention selections.

The J.V. team, consisted of 18 new players and only 2 returnees from last year's squad and had a final record of 3-4. Coach Kathy Schuyler said, "the team showed much improvement and always gave 100%."

Swinging For Success

The tennis and golf teams both had very successful season. Although the teams were quite small, they had the ability and opportunity to fill a squad of 20 players. The golf team, under coach Quinby's guidance, turned out a remarkable season.

The tennis team was at its best this year. The players put in extra than the required limit, and took the initiative to play one another to improve their skills. This all paid off, as the tennis team went into the Regional playoffs. Coach Talarigo was very pleased with the excellent achievement of each player, and hopes that they will all return with the same attitude next season.

Varsity

Golf

Front Row: C. Moore, D. Drenner, P. Sesplankis. *Back Row*: C. Kelly, D. Blottenberger, J. Upman, K. Rau, B. Nelson, J. Carrigan, D. Quinby.

Tennis

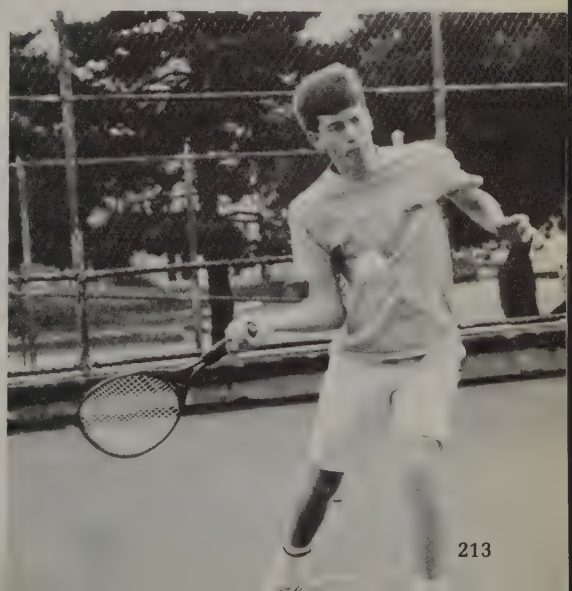

Striding Through the Season

"This year is the beginning," said Ed Bury about the boys' outdoor track team. The team didn't have the numbers to be successful as a team, yet they did have some very successful individuals, many of whom will be returning next year. The team was an extremely young one with only a few graduating seniors. Coach Ed Bury looks forward to a strong returning squad along with some new recruits. Coach Bury, along with coach Dave Lane, felt that although the team may not have been extremely successful, they had fun.

The girls' team had a small squad this year so they didn't have any team wins but had many individual successes.

Varsity Outdoor Track

Front Row: E. Gonder, D. Taylor, B. Meir, P. Taylor, J. Guerro, G. Sabino, C. Schnurpfeil, S. Palanki, C. Jarrell. *Back Row:* D. Lane (coach), J. LeVasseur, B. Berry, M. Foster, W. Austin, S. Hayes, C. Michner, M. Stephen, E. Bury (coach).

Varsity

Front Row: B. Smith, H. DeArmond, J. Miller, M. Richmond. *Back Row:* J. Swanson, S. Hurst, M. Fitzpatrick, J. Smith, P. Hyland, G. Weilert (coach).

Outdoor Track

Comet Fever!

The cheerleaders opened the season with a new advisor and a new look. Both J.V. and Varsity organized a car wash to make money to buy, with the help of the Varsity Club, new uniforms. Varsity co-captains Markey Shade and Meghan Rainville and advisor Pat Goff got the cheerleaders together for a great deal of practice and hard work. Spirit and smiles helped the girls cheer the Comets on to victory at pep-rallies and night games.

Varsity Club Banquet

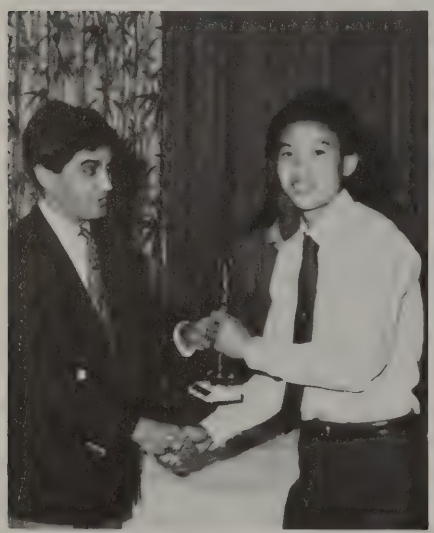

After all the preparations were final, the tenth annual Varsity Club Athletic Awards Banquet took place on Wednesday, May 20. In addition to the MVP and Unsung Hero awards being given out, the *Times'* Athlete of the Year, and the Booster Club's Sportsmanship Award were presented. The Varsity Club sponsored new award this year, The Athletic Supporter Award, which was intended for a person (s) who most consistently supported CHS Athletics. This award was given to the Berry's. The guest speaker was John Steadman, sports columnist from the *Baltimore Sun*. He encouraged the athletes in attendance that the most important thing in sports is not to win, but to "play with heart."
